**Enatai Elementary PTSA  
JOG-A-THON Fundraiser  
FACT SHEET**

**Question:** What is the Enatai Elementary JOG-A-THON?

**Answer:** The JOG-A-THON is one of Enatai's most popular school-wide activities. Students, staff and families look forward to this energetic and fun event every year. Our PTA is working hard to expand both academic assistance and playground supervision for our students next year. We can't do this without the funds raised through our jog-a-thon.

**Question:** When is the JOG-A-THON event?

**Answer:** Wednesday, May 16<sup>th</sup>, 2017. Students will run or walk during their lunch recess. Parents are welcome and encouraged to attend!

**Question:** Why do we have fundraisers?

**Answer:** Because limited public school funds cannot provide all the assistance, resources and programs we want and need for our children.

**Question:** How is the money spent?

**Answer:** Our fundraisers provide for materials, events and learning opportunities our children would otherwise have to do without. It goes to our PTSA budget to pay for many things, such as resources for technology, teacher aides, math and reading aides, innovative classroom projects, special assemblies and more.

**Question:** Are the pledges attached to the number of laps a student completes?

**Answer:** No. Students will set personal lap goals in PE based on appropriate standards for age and ability. Students will collect FIXED amounts.

**Question:** How do students collect pledges?

**Answer:** Students can collect online donations, in person donations, or a combination of the two. Students collect online donations by adding emails of friends or family to their personal fundraising site at [pledgestar.com/enatai](http://pledgestar.com/enatai). Students collect in person donations by recording donor information on their jog-a-thon pledge sheet.

**Question:** Who can participate in the JOG-A-THON?

**Answer:** EVERYONE!

**Students**, secure as many pledges as possible and run or walk through the laps with their classmates. There is always tons of fun at the event!

**Parents**, support your child in securing pledges. Come and enjoy this fun event with your child! Siblings are welcome.

**Teachers/staff**, will be talking about the JOG-A-THON in and around the classroom and let students know the importance of this event for our school.
